

中国語中級クラスの方々の紹介

外国語セミナー講師 張舒鵬(中国)

CHINESE INTERMEDIATE CLASS STUDENTS

Zhang Shu Peng (China) TIC Foreign Language Teacher

去年から中国語中級クラスを担当させていただくことになりましたが、実は人生初めての経験だったし、前任の李軼倫先生が教師暦の長いベテラン先生だったので、務まるだろうかという不安からのスタートでした。しかし、TICの親切なスタッフの方々や、何よりも真面目で勉強熱心なクラスの方々のおかげで、無事にスタートを切り、楽しくやらせていただいています。せっかくなので、TIC中国語中級クラスの愉快で真面目な方々をごく簡単に、独断と偏見により紹介させていただきたいと思います。(席順)

Moさん: 魚釣りや標本作り、絵描き、太極拳など多趣味の方。授業中いつも真剣にメモを取り、文法など難しい問題に興味を持っています。発表や質問など一番最初に当てても何の文句も言わない、頼もしい存在です。

Shさん: 「農民画」が大変うまい方。クラスのムードメーカーで、よく面白い話をしてみんなを笑わせます。台湾での生活経験があり、中国語のジョークがとてもうまく、クラスで一番中国人受けがいいかもしれません。

Hさん: 社交ダンスが上手な方。北京の大学での短期留学経験があり、同じく北京で生活したことがある者として、親近感を持っています。最近、中国語の会話力が上がったように感じます。

Saさん: 中国の歴史に詳しい方。中国のさまざまな所を旅行していて、中国のことに関して中国人の私よりもずっと詳しいかもしれません。授業でよく面白い質問をする愉快な方です。

Iさん: 語学に興味を持っている方。中国語だけでなく、スペイン語も勉強しており、内容の難しい作文を書いたとか。文学好きで、文学少女的一面があるかもしれません。

YoDさん: 去年からの新メンバーで、旅行や登山などで、クラスで一番体力があるようです。中国語の発音が非常にきれいで、スピーチなど、こちらが原稿を確認しなくてもほぼ100%聞き取れるほど発表がうまいです。

Kさん: 同じく去年からの新メンバーで、愉快な方です。中国語会話の実践力が高く、中国で一番サバイバルできるでしょう。また、中国語の4字熟語をたくさん知っていて、大変感心しています。

Miさん: 「おもちゃのドクター」。クラスで一番手先が器用です。中国語学習暦が他の方ほど長くないようですが、授業でいつも声を出して単語などを丁寧に復唱しているので、上達の早さに納得です。

YoSさん: 世界中を旅した方。スピーチの作文はわかりやすい上に文章が美しく、中国人でも普通あんなきれいな文章が書けないと毎回感心しています。

Hさん: 四国八十八ヶ所お遍路中の方。たまに遊びに誘ってくれます。クラスで一番中国語の検定に取り組んでいるようで、その成果か、中国人がよく使う言葉や表現など多数ご存知です。

Yaさん: 生け花やフラワーデザインがご趣味の方。去年までの学習者です。授業で多くはしゃべらない、静かな方ですが、東京五輪のときに選手村で電話オペレータをされていたとか。

Nさん: クラスで一番元気で、美しい日本語を話す方。去年から毎回授業に出席しています。いつもゆっくりと丁寧に中国語を話します。最近、毎年夏を温泉で過ごしているとのこと。

I have been taking charge of the middle level class of the Chinese Language from last year. But at first I was quite worried about assuming this post since this was the first experience in my life and my predecessor, Li Yi Lun, was a well-experienced teacher. Yet, I made a good start thanks to the TIC's kind staff and the ardent students. I am now conducting the class with full of joy.

I would like to briefly introduce the jolly and serious students in my class, although my observation may be a bit biased.

▽**Mo:** He has many hobbies including fishing, making of specimens, drawing and Tai Chi Chuan. He always takes memos seriously during the class and is interested in difficult questions including grammar. Even if I ask him to make presentations or some questions in the first place, he never complains about them. He is really a dependable student.

▽**Sh:** He is very good at drawing 'farmers'. He creates a good atmosphere and often tells interesting stories. He has lived in Taiwan and is very good at making jokes in Chinese. Among the students, he might be received most by the Chinese people.

▽**H:** He is very good in social dance. I have an affinity with him since he has studied at a university in Peking for a short period of time and had lived there. I feel that his conversational ability in Chinese has improved recently.

▽**Sa:** He has the deep knowledge about the Chinese history, travelled to many places in China, and may be more conversant with the things Chinese than I; a really jolly person often asking funny questions in the class.

▽**I:** She is interested in language, studying not only Chinese but Spanish as well and she has written difficult compositions in Spanish. She likes literature.

▽**Yo D:** She is a new member who has joined the class from last year who likes traveling, mountain climbing and appears to be more stronger physically than others in the class. Her Chinese pronunciation is beautiful and can make a good presentation that I can fully listen without resorting to the original text.

▽**K:** She is also a new member who has joined the class from last year and a jolly student. She is high in the practical capability of the Chinese conversation, so I believe that she can survive in China better than any other member in the class. And it is really amazing that she knows many Chinese four-letter idioms.

▽**Mi:** "Doctor of Toys". He is the most skillful in the class. He does not have a long history of studying Chinese language compared to the other students, but his speedy improvement can be readily understood because he repeats words carefully while always voicing them out.

▽**YoS:** He has travelled around the world. The composition for speech is easy to comprehend. The sentences which he makes every time are quite beautiful and really amazing. I believe that his ability of writing may surpass the ability of ordinary Chinese.

▽**H:** He is now making a pilgrim to 88 temples in Shikoku. He sometimes invites me to go out. He is the most serious student in tackling the test in the class, and knows many words and expressions that Chinese people use frequently.

▽**Ya:** She has the hobbies of flower arrangement and flower design. She was a student until last year, quite and does not speak a lot in the class. She was a telephone operator at the village of athletes of the Olympic games held in Tokyo in 1964.

▽**N:** She is the most energetic student and speaks very beautiful Japanese. She always attend the class, speaks Chinese carefully and told me that she spends her time at hot springs during summer in the recent years.
