

● Let's review bicycle rules and regulations.

From April 1, 2026, a "traffic violation notification system (blue ticket)" for cyclists has been introduced. Please follow traffic rules and drive safely.

★**Five rules for safe cycling:** ① Generally, ride on the left side of the road. Sidewalks are an exception; pedestrians have priority. ② At intersections, obey traffic signals and stop signs, and check for safety. ③ Turn on your lights at night ④ No drunk driving ⑤ Wear a helmet

★**Get bicycle insurance!** By ordinance, it is mandatory to have bicycle insurance (such as bicycle liability insurance).

★**Follow the rules = Protect your life.** Driving while holding an umbrella, using earphones, or using a mobile phone is prohibited.

◇Inquiries: Tama Central Police Station ☎042-375-0110, City Hall Road Traffic Division ☎042-338-6826
ID: 1001732

● **Let's start with what we can do! "Eco-friendly activities"**

- **The first step in reducing waste is starting with food waste**

Approximately 30% of "burnable waste" from households is food waste. Reducing food waste can reduce the amount of waste generated from households. This also makes daily garbage disposal easier.

○ **Minimize food waste!** ○ **Squeeze it out when you throw it away!** ○ **Put food scraps in the compost!**

The city provides subsidies for the purchase of cardboard compost bins and non-electric food waste processing equipment, as well as for consumables such as fermentation accelerators. Why not take advantage of these subsidies and work towards reducing food waste at home?

◇Inquiries: Resource Recycling Promotion Division ☎042(338)6836 FAX 042(356)3919 ID:1002149
